# Editing Window (Administrator)

The screenshot displays the 'Manuals' editing window in the i-COSTES system. On the left, a sidebar shows the user 'System Admin' and a navigation menu with 'Manuals' highlighted. The main area features a grid of document thumbnails, including 'Standard Tender Document', 'PBC Guideline', and various 'Cost Estimation Manual' volumes. A table on the right lists system roles and their visibility settings.

ID	Name	Show/Hide
1	Administrator	<input type="radio"/> Show <input checked="" type="radio"/> Hide min
